

# Some Things In Life Are Hard To Restore.

*Fortunately, your client's computer doesn't have to be one of them.*

**Y**ou know the feeling. It's the same one you get each time a client crashes their hard drive, leaving you to pick up the pieces. Fortunately, now there's EasyRestore™ from PowerQuest®, the makers of PartitionMagic®. Combined with the power of Drive Image™ Professional 2.0, EasyRestore gives your customers a simple, one-step recovery solution that makes expensive technical support extinct.

Whether you are a local VAR or a global corporation, EasyRestore lets you enjoy reduced support costs and increased profit margins. And your clients will appreciate the added convenience and flexibility that comes with being able to restore part, or all, of their hard drives by themselves. So get EasyRestore today and leave the competition without a leg to stand on.

*Available directly from PowerQuest. Respond now and get a free ten-pack license with your first order.
